Lindsay reported that 61(March) and 58 (April) reminder letters were sent regarding delinquencies, which is down somewhat from the prior month. BHA has received \$14,281.00 in tenant rent from DCF in April; 25 tenants are on Reach-Up. BHA has 79 tenants in the VERAP program (not including Section 8 tenants) ,and has received \$349,145.00 from VERAP.

Delinquent accounts continue to fluctuate, depending upon the date VERAP payments are received, and the length of time VERAP takes to adjust rent amounts which are increased.

The tenant portal is now set up, so that tenants may make payments electronically.

Housekeeping inspections continue to proceed, being made by Lindsay and Dack.

The Court case for termination of the lease for drug activity has been settled, and the tenant involved must vacate the premises no later than July 31, 2022. The eviction for non-payment, involving a tenant who has exceeded the limit for VERAP payments, has begun, with an eviction letter being sent to that tenant.

Agenda Item 3- Staff Reports:

He also reported that there are currently stoves and refrigerators being replaced in several apartments.

Agenda Item 6- Public Comments

Antoinette Bourdon, a Walloomsac tenant, discussed several issues with the Board, including concerns about:

1. The lack of cameras in the parking lot and safety issues; and
2. The lights in the parking lot are quite dim; and
3. The alleged drug dealers in the house in front of the building are using their window and Walloomsac's parking lot to distribute drugs, which creates safety concerns for Walloomsac residents; and
4. There are many complaints of smoking in the premises; and
5. The tenants would like more cameras and better signage about the parking being reserved for Walloomsac residents; and
6. Issues regarding the use of the Day Room.

The Board thanked Antoinette for her comments, and appreciated her concerns. There followed discussion about investigating the cost of new cameras, lights or signs in the parking lot. It was suggested that any information about drug transactions be submitted to the Bennington Police Department. Lindsay and Dack have been checking on the smell of smoke, and have so far been unable to discover such a smell, but will keep checking on this issue.

There being no further business to be transacted, and upon motion of Sharyn seconded by Rose, the meeting was adjourned 5:53 PM.

Respectfully Submitted

Lindsay Vajda, Secretary
